FAQ

I am getting an error while using plugin Sketchpad API is not available for JavaScript `$("#mySketchpads").sketchpad({ id: "mySketchpads", server: "", style: { url: "", }, listeners: { click: function() { alert("Hello, World!"); } } });` A: You're using the "latest" version of the Sketchpad API. The latest version is supported from version 1.1.1. If you click on that link, you can see what it says about "Latest version". You can't use it. (More info on that Sketchpad API page.) You'll have to use the deprecated version, which is still in Beta. Here's the beta page. Use version 0.5 of the Sketchpad plugin. I'm always trying to get people to sign up to be on my e-mail list for when I post all of my news stories, so I hope you will sign up. If you want you can add your email address as a comment to this post. I will not send you any mails, but you may get e-mails when I post something I think you may be interested in, so you can unsubscribe if you don't want to be on my list, you can also post any questions here and I'll answer them. I think I have posted all of my news stories on the site already, so you can see what I have written and I can post any articles you may be interested in. If you wish to sign up for my email list, please use the link provided below, but I will not send any mails to you. Colleagues and friends, It is with a heavy heart that we inform you of our decision to leave Enron.
